The determination of eligibility for special education is based on an evaluation pursuant to the IDEA '04, A.R.S. §15-766, and the following requirements:

- ☐ The student exhibits intellectual disability that adversely affects performance in the educational environment as evidenced by performance on a standard measure of intellectual functioning that is more than four standard deviations below the mean for students of the same age.
- ☐ The student demonstrates adaptive behaviors that are at least four standard deviations below the mean for students of the same age.
- ☐ The student was evaluated in all areas related to the suspected disability.

---

**Team decision regarding the presence of a disability:**

- ☐ The student **does** meet the criteria as a child with severe intellectual disability.

**Team decision regarding the need for special education services:**

- ☐ The student **does not** need special education services.
- ☐ The student **does** need special education services.

**Note:** A student shall not be determined to be a child with a disability if the determinant factor is lack of appropriate instruction in reading (including the essential components of reading instruction), lack of appropriate instruction in math, or limited English proficiency.

- ☐ Parent has been provided with notice regarding this decision that meets the prior written notice requirement under the IDEA '04.
